## **GHOST CANCELING – WITCHCRAFT CONFIRMED**

We are sorry to announce that GHOST are canceling this years gig at Inferno Metal Festival. Sometimes things don't go as planed and there is nothing we at Inferno can do about the situation. We are sorry for all the fans that had been looking forward to see GHOST at Inferno.

On the other hand; we are happy that WITCHCRAFT could step in on such a short notice and fill the spot on Rockefeller Friday 29<sup>th</sup> of March. The Swedish band are no strangers to fans of doomy seventies inspired heavy rock. WITCHCRAFT released their first single ten years ago and has since then four full-lengths and several EPs in their back catalog. Their last album was released in 2012 and called "Legend".
