ENSIFERUM

Finnish Ensiferum started in 1995 and has released five full-length albums. The band's style is melodic epic folk-metal carried on with the edge of a viking sword. The band's lyrics are often based on historical narratives from early Scandinavia. The potential of the debut album was turned into perfection when they released "Iron" in 2004 and they were immediately crowned as kings of the genre. Since then they have maintained their position and integrity. Ensiferum's next album will come out in early 2015 on Metal Blade - just in time for Inferno Metal Festival 2015.
