INNER SANCTUM

Inner sanctum was formed back in 2006 in Bangalore, India. Since then, they've been tearing it up on every stage in the country, and been supporting Metallica, Testament and Slayer. Their status are now fittingly regarded as the vanguard of metal in India. The band has also been touring Europe and last year they played at the India version of Inferno Metal Festival, together with the Norwegian bands Obliteration and Nekromantheon. Inner Sanctum delivers a no-nonsense style of metal that's sprinkled with elements of death, thrash, traditional, and even a wee bit of progressive flavor to make them stand out from the herds. Check them out at Inferno Metal Festival 2015!
