## **VREDEHAMMER**

After Per Valla left Elite and Allfader he initiated Vredehammer as a solo studio project. In early 2013 Vredehammer became a fully functional band, and has by now released three Eps, four singles and one full-length. Their style of black metal is solid and strong, done within an epic soundscape. Valla was recently the guitarist for Abbath, but left to fully consentrade on Vredehammer. Their brand new album "Violator" will soon be released on Indie Recordings and it is something to look forward to.
