CARCASS TO INFERNO METAL FESTIVAL 2017

Inferno Metal Festival is proud to present British legends CARCASS for the next edition of the festival. Carcass is regarded as pioneers and one of the biggest influences on grindcore and melodic death metal. The band will perform at Inferno Metal Festival for the very first time!

INFERNO METAL FESTIVAL 2017:
CARCASS - ABBATH - RED HARVEST - INFERNAL WAR - ZHRINE

CARCASS

UK legends Carcass have released several classic albums over the years and changed the trajectory of extreme metal with each consecutive release. Whether it was inventing goregrind with the first two albums or creating the template for melodic death metal during the 90s – Carcass has always made records by which bars were set and rules were broken. After breaking up in 1996 after releasing “Swansong”, the band finally got back together after many years and in 2013 they released “Surgical Steel” to great acclaim from both critics and fans. Carcass are now ready for Inferno Metal Festival for the very first time and have no doubts – this concert will be legendary!
