BENIGHTED

Benighted were spawned by members from French Death and Black metal bands Dishumanized, Darkness Fire and Osgiliath, who joined forces in 1998 for a more brutal, heavy and modern way of expression. When their first self-produced and self-titled full-length hit the streets in 2000, it immediately had a strong impact. This turned a side-project into a main act. A fast-growing fan base was built by a string of acclaimed albums. On the live front, Benighted quickly started to capture audiences with sweat drenched performances that bulldoze any resistance mercilessly aside. This allowed the French to climb up the ladder fast and soon came invitations to all major European festivals including Neurotic Death Fest, Hellfest, Wacken, Brutal Assault, Summer Breeze, and Inferno Festival among many more. It's been more than 10 years since the band perform at Inferno by now – so we welcome them back at Inferno 2020!

DYSCARNATE

Dycarnate is a three piece death metal band from the UK that started in 2003 under the name Incarnate. After the stellar release of their latest album, "With All Their Might" in 2017, the band has toured across Australia, Europe, Indonesia, Israel, Russia and more. This will be Dycarnate first performance at Inferno Metal Festival. Expect strength. Expect violence. Expect Dycarnate!

ASAGRAUM

Asagraum is a cross-continental entity, that was founded in the autumn of 2015 by vocalist/guitarist Obscura who was joined by drummer T. Kolsvart, to create pure Satanic black metal with the old-school feeling of the eternal 90's greats and with dark psychedelic influences. A three-track promo recording was released in early 2017, laying bare Asagraum's aims and sound. Wasting no time, debut album "Potestas Magicum Diaboli" was recorded, mixed at the Swedish Necromorbus Studio and released by KVLTL records in September 2017. Asagraum has a brand new album out on September 13th that is called "Dawn of Infinite Fire". This will be their first appearance at Inferno Metal Festival.
