AT THE GATES TO INFERNO METAL FESTIVAL 2024

We are proud to announce the legendary melodic death metal band At the Gates to Inferno Metal Festival 2024. The Swedish band has played a significant role in shaping the landscape of melodic death metal. This will be the first performance for At the Gates at Inferno Metal Festival.

AT THE GATES

Formed in 1990 in Gothenburg, At the Gates quickly gained recognition for their intense and pioneering sound, characterized by a potent combination of ferocious death metal elements and intricate, harmonious guitar melodies. The band's seminal album, "Slaughter of the Soul" (1995), is often regarded as one of the cornerstones of the melodic death metal genre, setting new standards for aggression and melody. Despite their initial disbandment in 1996, At The Gates' legacy endured, and their influence continued to resonate within the metal community. In 2007, the band reunited, much to the excitement of fans worldwide. They proved their enduring relevance with the release of "At War with Reality" in 2014, their first album in 19 years, which received critical acclaim and further solidified their position as one of the genre's most important acts. The band have continued to release great albums with "To Drink from the Night Itself" (2018) and "The Nightmare of Being" (2021).

At The Gates are known for their live performances and are known for their intensity and captivating energy, making them an unmissable experience for metal enthusiasts. So it is with excitement we are looking forward to having them perform at Inferno Metal Festival for the very first time.
